

Baby Sarah's Inclusive Playground

Pinckneyville, Illinois

A UNIVERSALLY ACCESSIBLE PLAYGROUND PROJECT

SPONSORSHIP OPPORTUNITIES

BROUGHT TO YOU BY:

Where **limitations** are **forgotten**, and
differences are **celebrated**.

Why do playgrounds matter?

Play is a critical part of the social, emotional, cognitive and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment and social interactions which other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located in Pinckneyville, Illinois this playground will be an Unlimited Play inclusive playground — a place where limitations will be forgotten and differences are celebrated!

THE VISION

"At Sarah's Playground, we honor the memory of Baby Sarah by creating a haven where every child can experience the simple joy of play, regardless of ability.

Our mission is to promote inclusion and kindness within our community, offering a space that celebrates diversity and welcomes all children, regardless of their backgrounds or abilities.

Sarah's Playground is more than just a place to play; it is a testament to our community's collective teamwork. Through community members coming together to donate their resources, time, and expertise, we are building a fully inclusive space, welcoming anyone to feel part of a shared effort that will impact generations to come.

Our goal is to inspire our children to not only play together but also learn empathy, understanding, and acceptance of one another's differences and special gifts. Together, we envision Sarah's Playground as a symbol of hope and unity, where the spirit of Baby Sarah lives on through the laughter and happiness of every child who enters its gates."

THE PURPOSE

The purpose of Sarah's Playground is to offer Perry County and the surrounding communities a transformative and fully inclusive playground experience, serving as the first and only such space in the area. Located in Pinckneyville, IL, it addresses a vital need by providing a welcoming environment where children of all abilities can play together.

The playground's mission is to foster empathy, unity, and kindness, allowing children to share the joy of play while learning to respect and embrace differences. By promoting community collaboration and support, Sarah's Playground aims to enrich the lives of children and families, ensuring that everyone has equitable access to safe, inclusive play.

Meet a Couple of our Inspirations Bringing Our Community Together

"Being a Momma to a "special" needs child is about basking in the joy of ALL the abilities Alex has accomplished. Disabilities have no age limit to benefit from fun. An all-inclusive playground means just that—it includes ALL abilities and ages!"

-Karen

"Claire, like other children with autism, is not always capable of expressing herself through words. But when I showed her a video of what this playground could be, her eyes lit up and she smiled SO big and simply said, "Yes! It is Perfect!"

~Jamie and Claire

Sarah's playground will be an amazing asset for all children and their families! It will help create a safe, welcoming space where children of all abilities can participate, but it will also help build important social communication skills between diverse populations. As a local therapist, many of my families share with me that they often avoid playgrounds in the area because they simply aren't conducive to their needs. This playground will help fill that void for our families by giving their children an inclusive place to learn and develop through the most essential childhood experience: PLAY!
